

At Thanksgiving Time

Don Gnecco

This time of year I count my blessings,
Checking them off one by one.
In my heart there's gratitude.
All that kindness touches my heart
At Thanksgiving Time.

All through the year I look for blessings
In ev'rything that I do.
If by magic my dream comes true,
I'll count one more blessing in love
At Thanksgiving Time.

Blessings flow, love will grow
At Thanksgiving Time.

Modulation

This time of year I count my blessings,
Checking them off one by one.
In my heart there's gratitude.
All that kindness touches my heart.

Blessings flow, love will grow,
At Thanksgiving Time.
