

Lift Your Heart

Don Gnecco

Lift Your Heart, raise your voice.
Come together, we'll all rejoice.,
When our voices blend as one,
There's nothing we can't do.

Lift Your Heart, clear your eyes.
In each other, we'll realize
When we see our world as one,
There's nothing we can't do.

*In the darkest days, through the lonely nights,
We seek wisdom from above.
By standing hand in hand we'll maybe understand,
And build our world with love.*

Lift your voice, raise it high.
Send your song up to the sky.
Let it soar from mountaintops, into the vale below.

*In the darkest days, through the lonely nights,
We seek wisdom from above.
By standing hand in hand we'll maybe understand,
And build our world with love.*

Bridge:

When we lift our hearts, raise our voices in love,
When we lead with outstretched hands,
We'll build our world together.

Lift Your Heart, raise your voice.
Come together, we'll all rejoice.,
When our voices blend as one,
There's nothing we can't do.
Lift Your Heart, raise your voice.
