

All Together, We Sing Gloria!

Don Gnecco

All the lights at Christmas make me glow inside.
Like the kings and Shepherds, who came from far and wide.
And on that first Christmas shone a star so bright.
Ev'ry year, it's so clear in Christmas candlelight.

All the sounds at Christmas fill the festive air.
Children singing carols and bells are ev'rywhere.
All the sounds of Christmas take me back in time.
Jingling bells, music swells with ev'ry song and rhyme.

Chorus:

Gloria, Gloria. All the angels sang.
Gloria, Gloria. All Together, We Sing Gloria!

Holding you at Christmas, knowing you are near.
Warms my heart this season, my fav'rite time of year.
As I wait for Christmas my heart's open wide.
It's so real I can feel all the love inside.

Chorus:

Gloria, Gloria. All the angels sang.
Gloria, Gloria. All Together, We Sing Gloria!

Gloria, Gloria. All the angels sang.
Gloria, Gloria. All Together, We Sing Gloria!
All Together, We Sing Gloria!
