

Home At Christmas Time

Don Gnecco

Ev'rywhere the lights are twinkling.
Wreaths on doors and stars on trees.
In my heart, I long for things like these,
And I think of you at Christmas Time.

Candlelight casts longing shadows.
Colored lights are ev'rywhere.
Jingling bells and music in the air.
And I'll be Home at Christmas Time.

Chorus (repeated)

*All of the love in ev'ry heart
Shines like the star on my tree.
All that we are, all we can be
Comes Home at Christmas Time.*

Bridge:

In ev'ry star I see your smile, your smile.

Chorus (repeated)
