

# We Raise Our Voices

Don Gnecco

*Dedicated to Mountain Voices Community Chorus • Habersham County, Georgia*

We Raise Our Voices together in song.  
Our hearts are open as we sing along.  
Worries and cares seem to fade away  
When we come together in song.

*Chorus:*

Mountain Voices, together we're one tapestry.  
Lifting our songs to the mountains  
We're singing in harmony.

*Modulation*

We Raise Our Voices together in song.  
Our hearts are open as we sing along.  
Worries and cares seem to fade away  
When we come together in song.

*Chorus:*

Mountain Voices, together we're one tapestry.  
Lifting our songs to the mountains  
We're singing in harmony.

*Bridge*

Open your heart. Take in this gift that we bring.  
We Raise Our Voices in song,  
Lifting us up as we sing.

We Raise Our Voices together in song.  
Our hearts are open as we sing along.  
Worries and cares seem to fade away  
When we come together in song.  
When we come together in song.
