

We Come In Thanks

Don Gnecco

We Come In Thanks, grateful for all,
Blessings for life, both great and small.
We Come In Thanks, for humankind,
Bringing us peace in heart and mind.

'Though we may doubt, and 'though we may fall,
We know that love holds blessings for us all.

We Come In Thanks, lift us up high.
Spirit within, we can't deny.
We Come In Thanks, love in our hearts.
Knowing for love gratitude starts.

'Though we may doubt, and 'though we may fall,
We know that love holds blessings for us all.

We Come In Thanks, grateful for all,
Blessings for life, both great and small.
We Come In Thanks, for humankind,
Bringing us peace in heart and mind.
