

# If This Were My Last Day

Don Gnecco

If This Were My Last Day would I do the same things?  
If This Were My Last Day what would I do?  
If This Were My Last Day would I see the same things?  
If This Were My Last Day would I have a clue?

*Chorus:*

If This Were My Last Day what would I do?  
Would I somehow live it differently?  
If This Were My Last Day what would I do,  
If This Were My Last Day here with you?

*Modulation and repeat chorus:*

If This Were My Last Day what would I do?  
Would I somehow live it differently?  
If This Were My Last Day what would I do,  
If This Were My Last Day here with you?
