

# TOUCH THE WORLD

Don Gnecco

Touch the World with a smile, let our hearts lead the way.  
Hands extended in friendship mean more than words can say.  
Touch The World with a song, let's lift our voices high.  
We all belong; we will sing one song.  
We can Touch the World.

Friendship, understanding; neighbors hand in hand.  
We are building bridges so we can Touch the World.  
(Touch the World)

Touch the World with your heart, let the children lead the song.  
Holding hands across nations, how can things go wrong?  
Touch The World, lend a hand and let love lead the way.  
We all belong; we will sing one song. We can Touch The World.

Friendship, understanding; neighbors hand in hand.  
We are building bridges so we can Touch the World.

## **Bridge:**

Open hearts, open minds; friendship across the miles.  
reaching out with helping hands we will Touch The World.

Friendship, understanding; neighbors hand in hand.  
We are building bridges so we can Touch the World.
