

# Welcome Home, My Little One

Don Gnecco

Welcome, little one, you're as small as you can be.  
You hold all our hopes and dreams.  
You've brought lots of joy to your family.  
You are such a gift for all in our community.

As the years go by, we'll be with you as you grow,  
Part of our community.  
All the things you are, all that you can be,  
You are such a joy to all in our community.

*Chorus:*

Welcome to our world where you belong.  
Now we raise our voice in grateful song.  
Open up your heart and feel our love for you.  
You are such a treasure, sent for us to love.  
Welcome Home, My Little One.  
Welcome Home, My Little One.
