

You Can Heal Your Life

Don Gnecco

You Can Heal Your Life and do anything that you want to.
You Can Heal Your Life, by opening up your heart.
Thinking thoughts anew can make your dreams come true.
You can live a blissful life, and know a whole new you.

You Can Heal Your Life, bring wonderful things in focus.
You Can Heal Your Life, discover new ways to be.
Knowing at your core that life means so much more.
Changing thoughts and loving lots will make your spirit soar.

Chorus:

*For You Can Heal Your Life,
Bring all the things you want into view.
For you can make your dreams come true,
And all the things your heart wants just for you.*

*And You Can Heal Your Life,
Bring all the things you want into view.
For you can make your dreams come true,
And all the things your heart wants just for you.
Just change your thoughts and
You Can Heal Your Life.*
