

A Feeling Inside Me

Don Gnecco

Chorus:

A Feeling Inside Me, a voice to guide me,
A candle in the darkness, showing me the way.
A heart that inspires, love's lifting me higher.
I see things more clearly each and ev'ry day.

When I'm sad or lonely, when I've lost my way,
I find peace and consolation when I pause to pray.

Chorus:

A Feeling Inside Me, a voice to guide me,
A candle in the darkness, showing me the way.
A heart that inspires, love's lifting me higher.
I see things more clearly each and ev'ry day.

There are times of sorrow, when I'm feeling sad.
I can reach down deep inside and take a helping hand.

Modulation

Chorus:

A Feeling Inside Me, a voice to guide me,
A candle in the darkness, showing me the way.
A heart that inspires, love's lifting me higher.
I see things more clearly each and ev'ry day.

There's a special Feeling Inside Me.
