

I'm So Crazy in Love With You

(That I've Almost Lost My Mind)

Don Gnecco

The moment that I met you I knew you'd take my heart.
You saw something inside me, you knew me from the start.
For you're that awesome someone that I'd always hoped I'd find.
I'm So Crazy in Love With You That I've Almost Lost My Mind.

Chorus

The crazy world around us tumbles down through time.
The days of love and laughter come and go.
And you're that awesome someone that I'd always hoped I'd find.
For I'm So Crazy in Love With You That I've Almost Lost My Mind.

Modulation

Though we've had our troubles, we've somehow made it through.
I could see what life would be to live it without you.
For you're that awesome someone that I'd always hoped I'd find.
I'm So Crazy in Love With You That I've Almost Lost My Mind.

The crazy world around us tumbles down through time.
The days of love and laughter come and go.
For you're that awesome someone that I'd always knew I'd find.
For I'm So Crazy in Love With You That I've Almost Lost My Mind.
For I'm So Crazy in Love With You That I've Almost Lost My Mind.
For I'm So Crazy in Love With You That I've Almost Lost My Mind.
