

It's All About Love

Don Gnecco

It's all about, just hear me shout:

"It's all about love!"

It's all about, just hear me shout:

"It's all about love!"

It's inside of you and me.

It's all about, it's all about love.

When there are dark days, when I am down,

I must remember, it's all about love.

It's all about, just hear me shout:

"It's all about joy!"

It's all about, just hear me shout:

"It's all about joy!"

It's inside of you and me.

It's all about, it's all about joy.

When there are dark days, when I am down,

I must remember, it's all about joy.

It's all about, just hear me shout:

"It's all about peace!"

It's all about, just hear me shout:

"It's all about peace!"

It's inside of you and me.

It's all about, it's all about peace.

When there are dark days, when I am down,

I must remember, it's all about peace.

It's all about, just hear me shout:

"It's all about love!"

It's all about, just hear me shout:

"It's all about love!"

It's inside of you and me.

It's all about, it's all about love.

It's all about, it's all about love.
