

Look, It's Christmas

Don Gnecco

Look, It's Christmas everywhere around you.

Look, It's Christmas, there are signs and sounds of Christmas everywhere.

Ev'ry year I can't wait for Christmas time.
It's my fav'rite season but this year know that I'm
Thinking thoughts of you, they leave me wanting more.
My desire by the fire is making our own memories like these:

Children in the snow, carols 'round the tree.
Christmas bells in the air, I love sounds like these.

Ev'ry year at Christmas I look back in time.
Mem'ries from my childhood help me see the signs:
Colored lights on trees and wreaths on ev'ry door.
Choirs sing, sleigh bells ring. Christmas sounds I simply can't ignore:

Children in the snow, carols 'round the tree.
Christmas bells in the air, I love sounds like these (like these).

Look, It's Christmas everywhere around you.

Look, It's Christmas, there are signs and sounds of Christmas everywhere.

Look, It's Christmas everywhere around you.

Look, It's Christmas, there are signs and sounds of Christmas everywhere.

Christmas wreaths, mistletoe, signs of Christmas ev'rywhere you go.
Ringing bells in the air. There are sounds of Christmas ev'rywhere.
Look, It's Christmas everywhere around you.
