

# *It's Always Hard to Say Goodbye*

Don Gnecco

It's always hard to say goodbye;  
It's always hard to leave a friend.  
It's always hard to even think  
That sometimes good things end.

It's always hard to say goodbye,  
It's always hard when friends must part.  
It's always hard to understand,  
To mend an aching heart.

*Chorus:*

*And as the days go passing by,  
I wish the best for you, I hope you fly.  
Don't ask me why...  
It's always hard to say goodbye.*

Just know that I will think of you  
And you know where I will be.  
A part of you lives in my heart,  
And you have part of me.

*Instrumental*

*Chorus:*

*And as the days go passing by,  
I wish the best for you, I hope you fly.  
Don't ask me why...  
It's always hard to say goodbye.*

*Modulation*

*Chorus:*

*And as the days go passing by,  
I wish the best for you, I hope you fly.  
Don't ask me why...  
It's always hard to say goodbye.  
It's always hard to say goodbye.*
