

In My Heart

Don Gnecco

In my heart I hold precious memories.
In my heart there are hopes and dreams.
In my heart I'm wishing on a rainbow.
Things are seldom as they seem.

In my heart I remember good times.
In my heart I have hopes for peace.
In my heart I'm hoping for a miracle.
I really believe that dreams come true.

*When we believe with love in our hearts,
We'll come to know that love can lift us high (so high.)*

In my heart I hold precious memories.
In my heart I have hopes and dreams.
In my heart I'm hoping for a miracle.
I really believe that sometimes dreams come true.

*When we believe with love in our hearts
We'll come to know that love prevails.*

In my heart there are precious memories.
There are loving memories, always in my heart.
Always in my heart.
