

Be A Voice for Kindness

Don Gnecco

Be a voice for kindness; open your heart wide.
Take the time to listen; speak from inside.
Be a voice of reason, love will lead the way.
Be a voice for kindness in everything you say.

Open your heart, love knows the way.
Treat all with kindness in all you say.

Be a voice for kindness, everywhere you are.
Be a ray of sunshine, be a shining star.
Be someone who listens, heals a troubled heart.
Be a voice for kindness, let the healing start.

Open your heart, let love shine through.
Speak only kindness in all you do.
Be a voice for kindness, love will get you through.
Be a voice for kindness in the things you do.

Be a voice for kindness, in all you do.
Help the folks around you see things anew.
Be someone who's present, lend a helping hand.
Be a voice for kindness, one who understands.

Open your heart, let love shine through.
Speak only kindness in all you do.
Be a voice of reason, standing from the crowd.
Speak only kindness, let the healing start.
Be a voice for kindness.
