

All of Life's A Part of Me

Don Gnecco

Inside ev'ry heart, in ev'rything we do,
Ev'rybody shares the Light,
It's part of me and you.
The wonder is that love burns bright
In ev'rything we see.
In our hearts we all are one, and
All of life's a part of me!

In ev'rything we see.
In our hearts we all are one, and
All of life's a part of me!
