

# Where Am I To Go?

Don Gnecco

Where am I to go? What am I to do?  
There's no one I know in this place so new.  
Where am I to go? Who will know me there?  
Will I have a friend? Will somebody care?

I'm feeling so alone, and I'm so scared.  
I need to know inside that somewhere someone cares.  
I need some hope. Oh hear my prayer.  
I need to find my way and make it on my own.

Where am I to go? Will I know the way?  
Show me where to go. Tell me what to say.

Modulation

Where am I to go? Let me know somehow.  
I've run out of hope; will you help me now?

I'm feeling so alone, and I'm so scared.  
I need to know inside that somewhere someone cares.  
I need some hope. Oh hear my prayer.  
I need to find my way and make it on my own.

Where am I to go? Let me know somehow.  
I've run out of hope; will you help me now?

I'm feeling so alone, and I'm so scared.  
I need to know inside that somewhere someone cares.  
I need some hope. Oh hear my prayer.  
I need to find my way and make it on my own.
