1. In the sun-shine, on the bright days, we are al-ways there for each oth-er.
2. On the dark days, when the clouds form, we are al-ways there for each oth-er.

When I'm hap-py, when my heart soars, you are al-ways there.____
In the sad times, when my heart breaks, you are al-ways there.____

You are al-ways there be-side me, lift-ing me high.____
You are al-ways there be-side me, hold-ing my hand.____
