

Knowing You Are Near

Don Gnecco

You're that one person on whom I rely.
Your love and friendship have helped me to fly.
And you have my back in many ways:
Through sleepless nights and through troubled days.
You always listen, calming my fears.
I can go on, knowing you're near.

Sometimes I worry that I won't come through,
Making me nervous in all that I do.
But you're always there, right by my side,
Cheering me on; you are my guide.
You are the wise one, calming my fears.
Pushing me higher; now it's so clear.

Walking life's path, you're by my side,
Through thick and thin, you are my guide.

Modulation

Nobody makes it all on their own.
You are my person, so I'm not alone.
You're always there, a light in your smile,
Cheering me on, loving all the while.
Above all others, I hold you dear.
Now I can fly knowing you are near.
Now see me fly, knowing you are near.
