

Look to the Light

Don Gnecco

Look to the Light, look to the Light,
Find it inside, making things right.
Look to the Light and you will see
All that you are, all you can be.

When things go wrong, falling apart,
Look to the Light, follow your heart.
And when you days seem dark as night,
Your heart will heal if you look to the Light.

Look to the Light, look to the Light,
Find it inside, making things right.
Look to the Light and you will see
All that you are, all you can be.

When you are lost, when you've gone astray,
Look to the Light to find your way.
Open your heart and see things anew.
Look to the Light and see love shining through.

Look to the Light, look to the Light,
Find it inside, making things right.
Look to the Light and you will see
All that you are, all you can be.
